

# foRwards & ACEMS Girls Coding Workshop

For Year 11 girls  
interested in STEM

**Contact:**  
[dicook@monash.edu](mailto:dicook@monash.edu)

**Instructors:** Di Cook, Steph  
Kobakian

**Workshop web site**  
<http://forwards.github.io/edu>

**Monday, Nov 12 2018 10am-4pm**  
Brisbane

In today's world we are swimming in data. Having the skills to use this data to understand what's happening around us helps us become quantitative citizens. In this workshop you will learn how to build a web app to tell a story about data, using open source software tools.

Limited participation.  
Apply to attend [http://bit.ly/Brisbane\\_girls\\_coding](http://bit.ly/Brisbane_girls_coding)
